

**West Midlands  
Combined Authority  
Vision:**

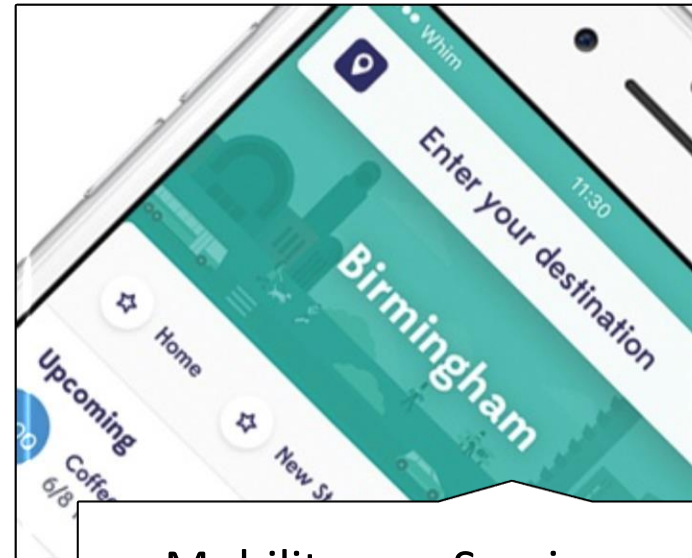

*To drive inclusive  
economic growth in the  
West Midlands region and  
enable a healthier,  
happier, better connected  
and more prosperous  
population*

# By bringing innovation together...

Connected and  
Autonomous Vehicle (CAV)

Mobility as a Service  
(MaaS)

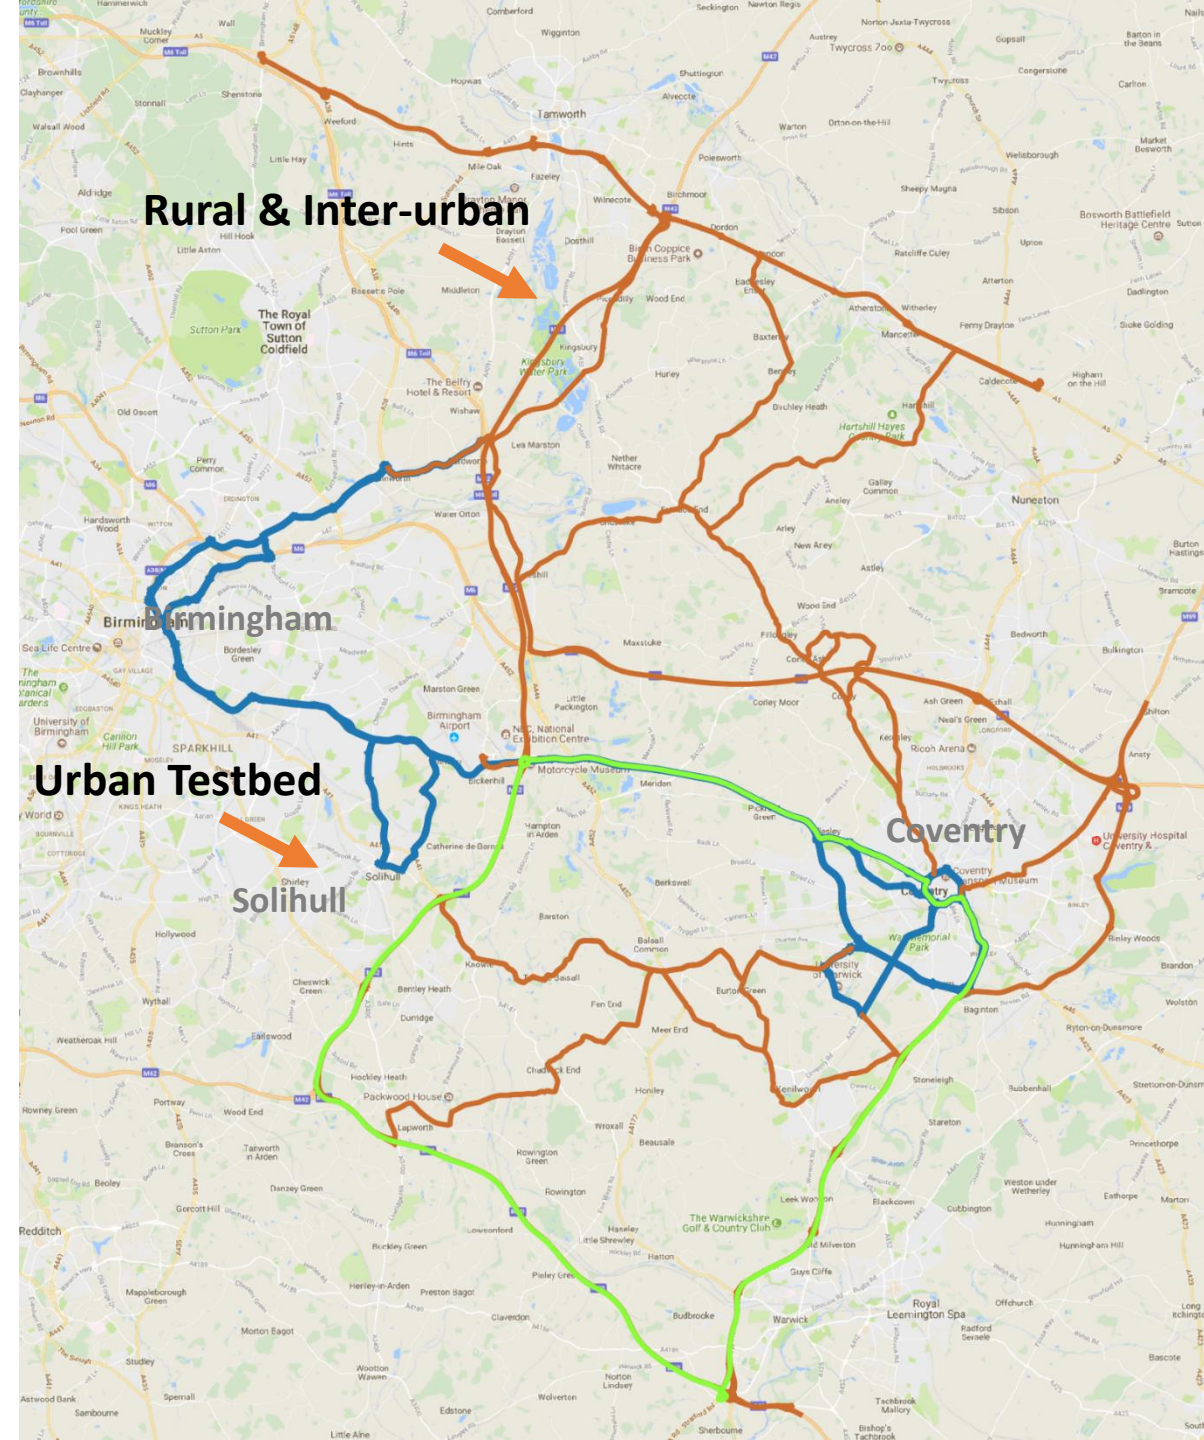

5G

UKAutodrive 

# CAV Eco-system

---

Can Mobility as a Service be better than owning your own car?

It can be used on the bus across the West Midlands transport network

**Appetite in the West Midlands for a change in transport and a shift from private car.**

Staffordshire

Leicestershire

Warwickshire

**Industrial & logistics**

**Black Country**

- Robotics
- Smart factories
- Infrastructure
- Utilities
- Smart supply chains / logistics

**Life sciences, medical & emergency services**

**Birmingham**

- Remote and robotic surgery
- Monitoring out-patients remotely
- Access to patient records
- Connected ambulances

- CAV
- Vehicle to Vehicle (V2V) connectivity
- Transport networks
- City management

**Mobility**

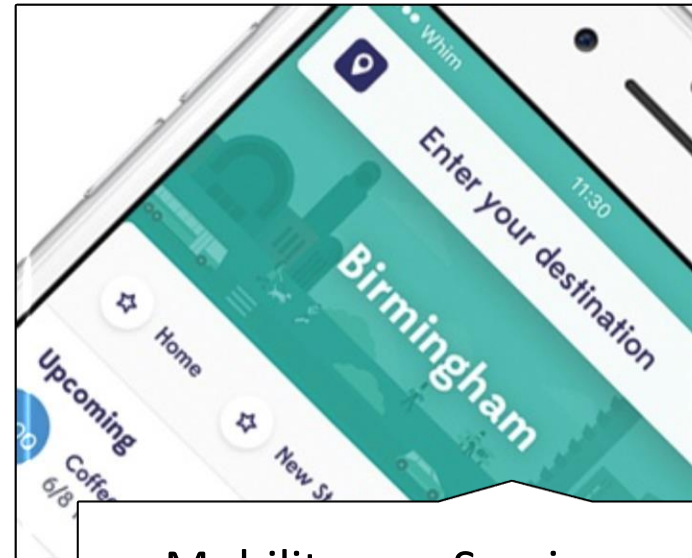

**Coventry**

# Open opportunity...
